The beneficiaries shall make decisions based on a majority vote, except in cases where a veto right is granted to a beneficiary. The coordinator has a veto right regarding every decision, which he will only exercise when he is convinced that a decision might threaten the success of the project.

The coordinator and the beneficiaries shall be obligated to carry out decisions made by the PSC.

4.2 **Quality board (QB)** shall consist of senior representatives from each Beneficiary and their responsibility will be for providing guidance and advice on quality and ethical issues which arise during the course of the project, developing and implementing quality and ethical standards, identifying and addressing risks and challenges, monitoring and evaluating project activities to ensure that they are conducted in a transparent and ethical manner, and that the deliverables are of high quality.

Article 5

General Principles about Financing

5.1. The maximum ERASMUS grant contribution to the project for the contractual period covered by the Grant Agreement is estimated at 499,990.96 EUR and shall take the form as stipulated in Annex 2 of the Grant Agreement.

5.2. The ERASMUS grant contribution is awarded to the partnership under the form of a "*lump sum contribution*" for the completion of work packages.

5.3. The grant contribution to the project is intended to cover only part of the costs actually incurred by the beneficiaries in carrying out the activities foreseen. The beneficiaries commit to provide additional resources to the project so as to ensure its full implementation in accordance with the Grant Agreement.

5.4 Budget flexibility does not apply - changes to the estimated budget (lump sum breakdown) always require an amendment and should be in accordance with Article 5, paragraph 5.5 of the Grant Agreement.

5.5 If one of the beneficiaries fails to implement their part of the action, the other beneficiaries must ensure that this part is implemented by someone else, see Article 7 of the Grant Agreement. The financial responsibility of each beneficiary in case of recoveries is governed by Article 22 of the Grant Agreement.

5.6. Full details of the estimated budget breakdown per beneficiary and work packages is given in Annex III of this Agreement.

Article 6

Payment Arrangements

6.1 The coordinator will transfer the part of the ERASMUS grant contribution corresponding to each individual beneficiary using the bank accounts as per details of Annex II of this Agreement.

6.1.1 If the bank account of the beneficiary changes, the new bank account details need to be communicated immediately to the coordinator by filling in the form that includes the details given above, signed by the legal representative of the beneficiary.

6.1.2 For the purpose of transferring the part of the EU grant contribution, the beneficiary will send Request for payment (using the Annex IV of this Agreement) to the coordinator, duly signed by the legal representative of the beneficiary.

6.2 The transfer of the ERASMUS grant contribution to individual beneficiaries will be implemented in accordance with the following timetable and procedure:

(1) **First instalment of initial pre-financing:** The coordinator will transfer the first instalment of initial pre-financing, that is up to **40%** of the beneficiary's total ERASMUS grant budget. The first pre-financing instalment consists of the total amount provided for the purchase of the equipment (where applicable) and for implementation of other project activities.

a) Grant for the purchase of equipment has to be used exclusively for the purchase of equipment for the beneficiary for the purpose of the implementation of the project. The equipment shall be the ownership of the beneficiary and must be recorded in the inventory of the institution where it is installed.

b) The beneficiary undertakes to promptly provide the relevant documentation as a proof that the appropriate procedure has been conducted and on the basis of eligible costs stipulated in contract(s) duly signed by the beneficiary and selected supplier(s), followed by the commercial documents evidencing the fulfilment of contract(s) in all respects.

c) If the beneficiary fails to conduct the tendering procedure and purchase the equipment within 12 months before the end of the project, the total amount of grant for the purchase of equipment shall be reimbursed to the coordinator at the latest 30 days after the expiration of the mentioned deadline.

(2) **Second instalment of initial pre-financing:** The coordinator will transfer the second instalment of the initial pre-financing, that is up to **20%** of the beneficiary's total ERASMUS grant budget. In order to receive a second pre-financing a progress report must be submitted which demonstrates expenditures covering at least 70% of the first pre-financing already transferred. The beneficiary is obliged to demonstrate to the coordinator that all planned deliverables and/or activities have been realized. Each beneficiary will keep all necessary Supporting Documents available.

(3) **Additional pre-financing:** The coordinator will transfer up to **20%** of the beneficiary's total EU grant amount in one instalment, provided that the coordinator has received the second pre-financing payment from the Executive Agency and in line with Article 22, point 22.3.1., of the Grant Agreement and Data Sheet 4.2. The beneficiary is obliged to demonstrate to the coordinator that all planned deliverables and/ or activities, up to that moment, have been realized, by sending the necessary materials and documentation.

(4) The **final balance** is carried out after the approval of the final report by the Executive Agency and the payment of the final balance by the Executive Agency to the coordinator. The payment of the

balance may be less than 10% as a result of spending and/or financial auditing undertaken by the Executive Agency. Beneficiary should provide the requested necessary proofs to the coordinator within the foreseen deadline.

Necessary proofs are: proofs of activity covering the amount already transferred, including proofs that the activities have been actually and properly implemented and/or that the expected output(s) have been produced; reports requested by the Executive Agency, as well as internal reports on implementation of the project.

The coordinator reserves the right to withhold any payments to all beneficiaries for as long as a party has not repaid any excessively received grant amounts, since the beneficiaries function as a joint and several debtor vis a vis the Executive Agency and thus are all liable for the repayment of excessively received grant amounts.

6.3 Beneficiaries are obliged to use the ERASMUS grant contribution exclusively for the purposes defined by the project, and in accordance with the terms and provisions of the present Agreement and the Grant Agreement and its annexes. ERASMUS grant amounts received in advance and not used by the beneficiaries will be reimbursed to the coordinator at the latest 30 days after the end of the project's contractual period.

6.4 If there is a difference between the amount of the EU grant contribution actually used by the beneficiary and the amount of expenditure declared eligible by the Executive Agency at the end of the project, the beneficiary will reimburse the corresponding amount to the coordinator.

6.5 The costs of financial transfers charged by the coordinator bank during payments by the Executive Agency will be proportionally deducted from the beneficiaries (in accordance with the percentage distribution of the total budget to the beneficiaries) when the coordinator send the next instalment to the beneficiary.

6.6 The costs of financial transfers charged by the bank shall be borne by the beneficiary receiving the part of the grant from the coordinator. These expenses will be deducted from the next instalment to the beneficiary.

Article 7

Supporting Documents

7.1 Supporting Documents shall mean any adequate written documentation to prove eligible cost and/or tasks of a beneficiary. Originals of the Supporting Documents must be kept by each beneficiary. The beneficiary must provide, upon request, during the implementation of the project and afterwards the coordinator with copies or certified copies of the Supporting Documents. Submitting the required Supporting Documents is an integral part of the obligations of the Agreement and the Grant Agreement, and failure to submit one or more Supporting Documents may lead to a request for reimbursement of the corresponding lump sums.

7.2 Each beneficiary shall keep a record of any expenditure/activity incurred under the project and all proofs and related Supporting Documents for a period of at least 5 years after the payment of the final balance under the Grant Agreement. That period shall be extended if a longer period is required by national legislation or in the case of ongoing not yet completed audits, checks, visits, verification or investigations. The coordinator may reject any item which cannot be justified in accordance with the rules set out by the Executive Agency in the Grant Agreement and its annexes.

Article 8 Reporting

8.1 The beneficiaries must continuously report on the progress of the action (e.g. deliverables, milestones, outputs/outcomes, critical risks, indicators, etc; if any), in the Portal Continuous Reporting tool and in accordance with the timing and conditions it sets out (as agreed with the granting authority).

Standardized deliverables (e.g. progress reports not linked to payments, reports on cumulative expenditure, special reports, etc; if any) must be submitted using the templates published on the Portal.

8.2 The coordinator is responsible for submitting in due time to the EU Executive Agency all reports and financial statements as required in the Grant Agreement.

For this purpose and in a timely manner, the beneficiaries commit to providing the coordinator with all necessary information and, if applicable, copies of supporting documents needed for drawing up reports, financial statements, and any other documents required in the Grant Agreement.

8.3 The coordinator shall provide the beneficiaries with the appropriate reporting forms for the declaration of expenses/activities and the respective instructions for their completion. These reports must be drawn up in EURO.

(1) For the purpose of internal partnership reporting on the project's milestones, the internal reports shall be submitted by the beneficiary to the coordinator according to the following schedule:

- Internal report 1 (Reporting period: 01/02/2025 – 31/07/2025): 15/08/2025
- Internal report 2 (Reporting period: 01/08/2025 – 31/01/2026): 15/02/2026
- Internal report 3 (Reporting period: 01/02/2026 – 31/07/2026): 15/08/2026
- Internal report 4 (Reporting period: 01/08/2026 – 31/01/2027): 15/02/2027
- Internal report 5 (Reporting period: 01/02/2027 – 31/07/2027): 15/08/2027
- Internal report 6 (Reporting period: 01/08/2027 – 31/01/2028): 15/02/2028

(2) For the purpose of reporting by the coordinator to the Executive Agency, beneficiaries shall have to submit their reports to the coordinator according to the following schedule:

- First periodic report (Reporting period: 01/02/2025 – 31/07/2026): 31/08/2026
- Second periodic report (Reporting period: 01/08/2026 – 31/01/2028): 28/02/2028

8.4 The beneficiaries shall keep a record of any expenditure/activity incurred under the project and all proofs and related documents (i.e. boarding passes, etc.) for a period of 5 (five) years after the payment of the final balance under the Grant Agreement. The coordinator may reject any item which cannot be justified in accordance with the rules set out by the Executive Agency in the Grant Agreement and in ERASMUS Programme Guide.

8.5 If a beneficiary fails to meet its reporting obligations and would thereby cause a delay in the submission process of the periodic reports, the coordinator shall be entitled to submit any report without the respective beneficiary's contribution in order to meet the deadline set out by the Executive Agency.

8.6 Beneficiaries that fail to meet reporting deadlines must be aware that their non-respect of reporting deadlines may lead to their costs being considered 'zero' for the corresponding reporting period and they will be excluded from the respective periodic payment.

For the avoidance of doubt, any obligation of the Grant Agreement, in particular, but not limited to, checks, audits and evaluation shall equally apply to the coordinator and each beneficiary.

Article 9

9.1 Lump sum contribution will be calculated on the basis of the amounts set out in Annex 2 of the Grant Agreement.

9.2 Lump sum contributions are eligible if they are set out in Annex 2 and the work packages are completed and the work is properly implemented by the beneficiaries and/or the results are achieved, in accordance with Annex 1 of the Grant Agreement and during in the period set out in Article 4 of the Grant Agreement (with the exception of work/results relating to the submission of the final periodic report, which may be achieved afterwards; Article 21 of the Grant Agreement).

9.3 Ineligible contributions Lump Sum are contributions that do not comply with the conditions set out in Article 6.1 and 6.2 of the Grant Agreement and lump sum contributions for activities already funded under other EU grants.

18.1 This Agreement is governed by the German law, being the law of the coordinator's country. The place of jurisdiction shall be the seat of the coordinator.

18.2 In case of any disputes on matters under this Agreement, which cannot be resolved by an amicable settlement, the matter shall have to be decided in accordance with the jurisdiction of the coordinator's country.

18.3 If any provision of this Agreement or the application of any such provision shall be considered invalid or unenforceable in whole or in part for legal requirements, all other stipulations remain valid and binding to both parties.

18.4 If any provision in this Agreement should be wholly or partly ineffective, the parties to this Agreement undertake to replace the ineffective provision by an effective provision which comes as close as possible to the purpose of the ineffective provision.

18.5 This Agreement is concluded in English. In the event of translation of this Agreement and its annexes, the English version shall prevail.

18.6 No beneficiary shall be entitled to act or to make legally binding declarations on behalf of any other party or of the Consortium. Nothing in this Agreement shall be deemed to constitute a joint venture, agency, partnership, interest grouping or any other kind of formal business grouping or entity between the parties.

Article 19

Termination of the Agreement

19.1 The beneficiary shall immediately notify the coordinator, supplying all relevant information, of any event likely to prejudice the performance of this Consortium Agreement.

19.2 In the event that the beneficiary fails to perform any obligations under the present Agreement or the Grant Agreement or in case of major breaches of this contract, the coordinator may terminate their participation in the project, upon formal written authorisation by the Executive Agency.

19.3 The coordinator shall notify the beneficiary in cause by registered letter. The beneficiary has to provide all relevant information for the coordinator via registered letter within one month from the date of receiving a registered letter from the coordinator, regarding its failing to perform any obligations under the present Agreement.

19.4 In the event of termination, payments by the coordinator within this Agreement shall be limited to the eligible costs actually incurred by the beneficiary up to the date when termination takes

Article 21 **Amendments**

21.1 Any amendments to this Agreement must be made in writing by means of a Supplementary Agreement, and become effective when signed by the authorized legal representatives of both parties. No oral agreement may bind the parties to this effect.
